YEARBOOK OF '53

LIBERTY  LION

LIBERTY UNION HIGH SCHOOL

Vol. XXIV

BRENTWOOD — OAKLEY — BYRON — KNIGHTSEN

June 1953

This year the students of L.U.H.S. are dedicating the LIBERTY LION to a person whom we feel, in the short time he has been at Liberty, has done a great deal for the Student Body. He has instigated the Rally Committee to grow and prosper and to become one of the most popular organizations at Liberty. To him goes the credit of starting the Annual Homecoming Parade and Queen's Contest, and other activities sponsored by the Rally Club. He teaches mathematics, algebra and Freshman social studies.

We wish to show our gratitude and appreciation to him by dedicating this year's annual to Mr. Arthur Cate.

NEW FACULTY ROOM

The new faculty room has proven to be a social center, as each morning finds the teachers gathered to talk over the interesting events which have taken place since last they met. The first ones there find soft and comfortable seats, but the later ones must be content with the harder chairs.

STARS OF TOMORROW

Some of the most interesting bits of conversation have been about the new additions to the student body of L.U.H.S. in 1968-1971. Steve Bronzan will no doubt be the star baseball player, if he follows in the shoes of his father, Coach Bronzan. Another star of sports will be Shawn Riley Ferrill who like his father, will doubtless excel in football. The captain of the Cadet Corps of 1970 will be Christopher Carl Williams. He will be dashing as he escorts Francis Stack, the beautiful daughter of our science teacher, to the Military Ball. Young Inman, the youngest new addition to our faculty family, will make the best president our student body will ever have, if a sense of humor like the father's develops.

FACULTY OF L.U.H.S.

HAPPY RECOVERY

Much concern was felt by the faculty and students over the serious illness of Mrs. B. Cross and Mr. R. Jackson. Mrs. Cross was able to return to school before the end of the school year and we are happy that Mr. Jackson will be with us this fall. They were both greatly missed, and we take this opportunity to tell them we are happy about their recovery.

"IF AT FIRST THEY DON'T SUCCEED..."

The male members of the faculty found difficulty in keeping up with the students in athletics this year. Twice the men were beaten by the B basketball team, by scores too degrading to be recorded. Condition and not age, of course, caused the faculty downfall. At present Mr. Williams, Commander of the Cadets, is trying desperately to qualify enough faculty men for a rifle competition with the Cadet Corps. Until wind drops to no wind at all, his success is uncertain.

TO CROWN OR NOT TO CROWN!

The brighter and quieter side of sports for the faculty takes place at any free moment in the faculty room. The checker board is seen often to be the center of

all eyes. The games have been rather dragged-out and haphazard. No official champion has been declared so far, but there have been several pretenders to the throne. Mr. Gherardi probably has the best claim. Several participants would contest his right to the title, however, because he uses (they say) unfair tactics; he thinks—before he moves! If not Mr. Gherardi, then Mr. Williams, whose uncanny ability to make two moves appear as one gives him a decided advantage and a claim, just or not. It is quite doubtful that any champion will ever be named; and frankly, I believe no one cares.

"CONGRATULATIONS"

Two of the happy events of the year were the engagements of some of our teachers. Miss Lida Beemer, physical education teacher and Mr. Arthur Cate of the social studies department announced their engagement this spring. Mrs. Mary Jane Beattie, public speaking and English teacher, announced her engagement to a local business man, Mr. Paul Barnes. Best wishes to them all for a happy life ahead.

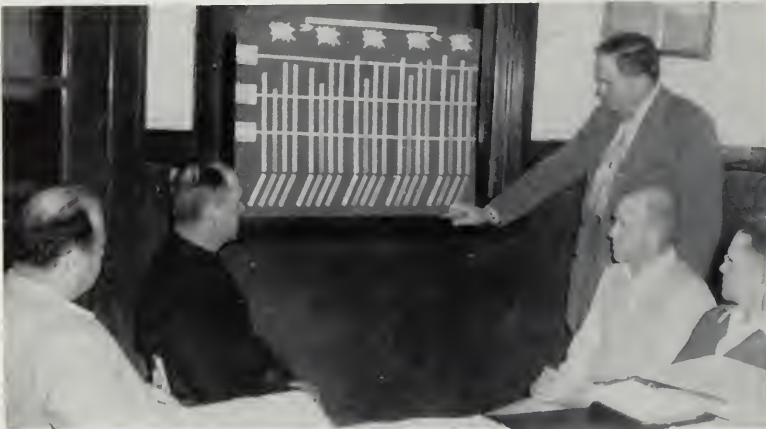

FACULTY PICNIC

The year ended with a picnic at Marsh Creek Springs for the faculty and their families.

PRINCIPAL'S MESSAGE

The hard and devoted work of the Liberty Lion Staff members has produced this splendid annual. To them I extend my congratulations for a job well done. We can all take pride in the achievements that our annual records, for through our combined efforts another year of success has been added to the history of our school.

LIBERTY UNION HIGH SCHOOL BOARD OF TRUSTEES

The people who do a great deal of work for the welfare of the school and the community are the members of our school board. They give many hours of their time to help, and they never receive any reward. We take this opportunity to say, "Thanks for what you have done for us."

FIRST MEETING HELD

The Associated Students held their first meeting this year for the purpose of welcoming the new Freshman class. Because of the lack of an auditorium the meeting was held in the football bleachers on Thursday morning. After the preliminary procedure of reading the minutes and giving the treasurer's report, Mr. Calloghan spoke to the students about citizenship and activities. Mr. Brongan then asked all the boys who were interested to go out for football. The meeting was adjourned.

ASSOCIATED STUDENTS OFFICERS

The Associated Students Officers discussed their duties during the student council meeting, and they decided that one of their main duties was to set a good example for the lower-classmen. Above all, to keep their grades and merit standing as high as possible. The problem of getting freshmen interested in school activities was also discussed, which resulted in the opinion that each Associated Student officer should explain his or her duties to the

freshmen during their next meeting.

AWARDS ASSEMBLY

A special assembly was called for the giving of athletic awards. Mr. Ferrill, who was first on the program, presented the Junior Varsity and Intramural football awards. Mr. Bronzan then gave out varsity football awards which was followed by entertainment provided by the Rally Committee. Girls' Athletic Association awards were given out by Rose Marie Coelho. The Associated Students' President, Bill Bristow, then urged all the students to come to the last basketball game of the year.

All athletic letters are purchased with money from the Associated Students' account.

STUDENTS OF LIBERTY HIGH WITNESS AMAZING DEMONSTRATION IN SCIENCE

Through the courtesy of General Motors Corporation the students at Liberty witnessed an amazing demonstration in the field of Science.

They were shown models of early inventions which led to modern day miracles. They saw

how ultra-high frequency sound waves can break a glass, how to make synthetic rubber, how glass can have two properties at once and how to transform light to electricity. In another demonstration they showed that sound can be carried by light impulses. Near the close of the show they demonstrated the principle of the jet engine with a balloon and then to top it off they demonstrated a model jet engine so that the students could get an idea of the sound produced by a regular size engine.

ASSOCIATED STUDENTS ELECTION IN NEAR FUTURE

The Election of new Associated Students Officers will be held three weeks before the end of school. There haven't been any nominations yet, but there seems to be a great interest in the coming election. The Associated Students officers who are elected this year will be installed in office at the end of the year but they won't assume their duties until the fall semester.

MR. CURTIS

Mr. Curtis has been the one and only advisor for the class of '53 for the past three years. He was born in Robin, Idaho, and went to grade school and high school at McCommon, Idaho. He played football, basketball, and track, and was also the president of the student body in high school. He went to L.D.S. Junior College and the University of Utah in Salt Lake City; he graduated from B.Y. University in Provo, Utah. Mr. Curtis has taught school in Idaho, Utah, Texas and California. He now is teaching bookkeeping and business mathematics here at Liberty High. His hobby is music, and he has written many songs. One of them has been sung by our High School Choir.

SENIOR OFFICERS

Howard Bloomfield proved his leadership ability in his Junior year, when he was placed in charge of the Junior-Senior picnic. Thanks to Howard's ability to "get things done," the picnic was a huge success. Howard was then overwhelmingly elected President of the Senior class. Howard handled all the problems which confront a Senior President with unusual ease. Vice President Bobbye Dodd did a very good job helping him and the class. The class secretary, Jane Ann Nunn, kept all the class minutes and records in order. She was a very efficient secretary. Lavedia Garner had the job of keeping the Senior accounts straight, which wasn't always an easy job. Joanne Alington, Student Council Representative, attended all Student Council meetings as spokesman and representative for the members of the Senior class, and

transacted business for them. Sgt.-at-Arms Joe McKinnon did a very good job of keeping the meetings in order.

SENIOR TALENT SHOW

Friday, March 6, 1953: The annual Senior Talent Show, 1953 edition, was held in the high school gym today. To the applause of a record crowd of Liberty spectators, Don Dal Porto, Stan Emerson, Jerry Vonder Ahe, and Richard Welches clowned their way to a first prize of six dollars, as the Jorgensen Quartet, consisting of Max and John at the drums, Joe on the trumpet, and George-Christine at the piano. The fellows featured outlandish costumes and two musical numbers, "Oh, Happy Day" and "The Darktown Strutters' Ball," with a dance by Christine. Freshman Frankie Grijalva captured second prize of four dollars, with a talented performance of keyboard magic playing such numbers as "After School Blues," "I'm Yours," and "Shufflin' Boogie." "My Very First Baseball Game" was the title of an amusing reading by pretty senior, Wanda Wallin, who was judged third prize winner by judges Mrs. Herstyle Morse, Teddy Ohmstede, and JoAnn Lucido. These three winners will appear at the Senior Variety Show tonight with guest stars from around this locality. Other outstanding contestants were Jean Avery, a trumpet solo, "The Rosary"; Janice Wright and Molly Mendez, Emelia Machado, Elinor Cabral, Grace Scott, and Betty Lee and Aline Hapton. All sang songs.

GRADUATION

June 5, graduation, a red letter day in the minds of all Liber-

ty seniors. For many of them this is just a stepping stone to higher education, but for others it's the last of their schooling and, boy, are they happy. Everyone is a little nervous, hoping he can keep time marching to the solemn strains of *Pomp and Circumstance*. Up and down the halls can be heard, "You should see my new suit," or "Golly, I can't believe graduation is almost here." Even though many of them say they're just glad to be graduating, there will always be a fond memory in the hearts of each senior for good old Liberty.

GRADUATION ANNOUNCEMENTS

Seniors were called out of their Social Studies Classes to order their calling cards, announcements, and caps and gowns. Mr. Inman had quite a time trying to keep his class organized but Mr. Williams being well aware of the situation, refused to let more than three students out at a time.

This served to remind the seniors that graduation is just around the corner.

SENIOR BALL

Friday, May 15, 1953: Pretty girls in swirling formals danced with handsome guys in trim suits to the dreamy music of Joe Palota and his orchestra in a transformation to fairyland of a gym for four hours, from 8 to 12, tonight, as the senior Class of 1953 presented their senior ball for this year. The last and best dance the seniors have ever given, this proved to be a huge success and really made all their weeks of hard work worthwhile. A nice send-off for a very nice Class!!!!!!

THE SMART SET

BY CASMAR HUMPERDINK

June 9, 1963

Seen at the opening of the Metropolitan Burlisque Theater were Jerry Vonderahe, Stan Emerson and Don Dale Porto. Each was neatly attired in chartreuse sneakers, velvet underwear and magenta derby. They went there for the opening of "Bubbles" Allington. Stan Bondoc was doing a land-office business selling pins in the lobby. Also in the chorus line were "Peaches" Edwards, "Legs" Dodd and "Tempest" DeJesus. Binoculars were supplied by Arthur Yingling, leading manufacturer of wartless pickles.

Jack Scoggins, Charley Stallcup and John Tuttle are building a car to run in the Indianapolis race next year. Gas and oil will be supplied by Junior Moteverde, Local distributor of products made by the Wolfenbarger Oil Co.

It is rumored that a suit has been filed by Nancy Biglow, charging that her husband Joe McKinnon has been sleeping in her lace negligee. It is due to come before Judge Florence Abreu next month.

Burl Allen has started an orchestra that is playing nightly at Yvonne Douglas's and Lupe Ferrer's Pioneer Ice Cream Parlor. Patsy Campbell plays second Zither, ably assisted by Barbra Ellison on the Harp. Clifford Grant, Tom Johnson, and Frank Domingo toot mean saxophones with the group. The drummer is the well known artist, Helena Sumerhalder.

The line-up for the Yankees includes several local boys. Don "Yogi" Morse is at catcher. He batted .000 $\frac{1}{4}$ last year. Joan Hobbs one of the ace pitchers. She won 47 games last year. Clyde Brown and Bill Bristow are the star outfielders. They made 2,345 errors between them last year. A record at that. Manager Jim Hanson is thinking about using James Bartels as Bat-boy, if he'll stamp his feet before he comes in the club house. The peanut stands are run by Forest Zachary, (he always was a little nuts). David Lyons and Jack Ladd are the ground keepers.

The rodeo at Madison Square Garden next week features several all around cowboys. Roberta Gill and Carmen Galindo are Champion bronc busters. Howard Bloomfield follows the horses around with a shovel, and Roberta Rossi carries the dust pan. Snake Guitierrez does a trick riding act using Aldean Kelley as his horse. Rose Marie Coelho, arena manager, announced that tickets will be sold at the gate by head ticket sellers, Elgie Harrison and Parker Henry.

A local boy, Johnny Pato has broken the worlds record for goldfish eating. He ate 567 fish. The goldfish were supplied by Norma Little, who also raises frogs.

Joyce Silva is giving an art exhibit next month. It will feature portraits of Richard Welches and Earnest Phillips, famous girdle manufacturers. It also will feature a picture painted entirely on old banana skins. Paul Scott has been given the job of eating 300 bananas, to get enough skins. The show will be held in Francis Urends's Art Gallery.

Shirley Brown, tiddly-wink instructor at Mills College, announces the starting lineup for the game with P.U. next week. Sara is starting at right-tiddly, Laverne DeBorba at left-tiddly, and Janis Jones at quarter-wink.

A movie soon to be produced by Mack "Cecil B. DeMille" Martinez will star Gail McGinty and High "Farley" Peterson. It is a story of a trained ape who sells coconut milk to people who can't stand cow's milk. Mary Michaud has been given

the job of milking the coconuts.

Tomorrow Stan Morgan's Flea Circus comes to town. Ted Tipton is doing very well as head trainer. Delbert Wall has been hired as "hotel" for the fleas. They must have someplace to sleep at night. Angelina Ascchetti has been fired as wardrobe mistress, because she tried to kidnap the star flea. Tickets are now available at the office of Leon Thompson, local manufacturer of Flea Food.

Pat Morris has been doing quite well with his new ventriloquist act. Clifford Woodward is working as the dummy. He appears nightly at the Brentwood Hotel, owned by Ruth Peterson.

Today is Lee and Jane Ann (Nunn) Laird's 5th wedding anniversary. I hope that they and their 14 children are very happy. They have hired Margaret Soderstrom as baby sitter for tonight. Richard Davis has been hired as baby sitter for the baby sitter.

Bill Crane has given up trying to raise a football team. He and Evelyn are going to settle for a basketball team with one substitute.

Norma Jean Abreu is still waiting for Harry to get his P.F.C. stripe. Three-and-half-star General, W. P. Urbick has refused to grant the stripe, because Harry forgot to put chicken in the chicken soup.

Don Pitau has opened a body building school. He is currently teaching Norma Miller how to lift 300 lbs. His waiting list includes such great athletes as Robert Guierrez, former Olympic ping-pong champion, Manuel Cornelius, Marble-shooting champion, and Mary Martinez, U. S. three cushion billiards champion.

Ramona Lunsford is now selling vacume cleaners for Clarence Machado. Clarence has invented a cleaner that will sweep the dirt under the rug. Peggy McCain has been hired as advertising manager for the firm.

Esther Garcia is trying to get Elpedia Garcia to change her name to Elpedia Smith. It seems that the town is not big enough for two Garcias.

Stan Colburn has announced that he intends to buy the state of Nevada as a wedding present for his Fiancee, Willa Mae Lillie. Negotiations are underway with Governor Rowena Dickens. Governor Gomer Washington has been trying to interest him in his state, Arizona. The reported sale price is \$564,783,567. The loan will be financed by Nancy Curtis, the Wealthy oil tycoon.

The fights at the new Liberty gym, which has just been completed, will feature Bennie "Rocky" McCord and "Killer" Curtis Hampton in the 15 round main event. The preliminaries will feature a women's wrestling match between Jackie Martin and Imogene James. Clara Fae Stolhand will referee all the matches.

Joan Pratt is opening a drive-in pool hall. Wanda Wallin and Carol Heidorn are racking up the balls. Laveda Gardner will be bartender and floor-sweeper.

Joanne Lucido is still flag pole sitting. She vowed to stay up there until the Philidelphia Athletics win a baseball pennant. She may be up there for a long time to come, because the Athletics dropped out of the league last year.

Cornelia Machado and Dorothy Hiratsuka are trying to teach a dog how to type-write because they can't afford a secretary for their new dress making business. The dog just can't seem to learn, he wants to write everything longhand.

CLASS OFFICERS

The class of '54 was a very active class this year, and all of the activities required a great deal of work by the officers and by other active members of the class. Dawn Allen was elected President of the class for the Junior year, and through her leadership the class was able to move successfully through a year of work and fun. Assisting the President was the Vice President, Jacquie Mundell. Her artistic ability and her ability to get along with people made it possible for her to work well with committees and promote the work of the class. The Secretary for the Juniors was Carole Boyer who did an excellent job of keeping the minutes and other data and carrying on the correspondence of the class. Geraldine Robinson was the Treasurer of the class. She performed a very important job, and one which kept her busy due to the many activities of the class of '54.

OUR ADVISORS

Although the Class of '54 had many activities and did a lot of work this year, it would not have been possible without the help and guidance of the advisors. Mr. Jackson, who has been the advisor of the class since the Freshman year, was very helpful to the class as a whole and es-

pecially to the officers. He attended most of the meetings and advised the class about expenditures and worked right along with the members of the class to help make the activities successful. The Juniors were appointed another advisor this year who did a great deal to help them. Miss Van Tassel attended the meetings and activities, advised the class about different matters, and helped the members of the class in working out decorations and other plans.

JUNIOR PROM

The Junior Class sponsored one of the best dances ever given at Liberty last March. The very successful Junior Prom was given just before Easter vacation. "Oriental Gardens" was the theme carried out by the decorations. Red dragons along the walls against dark corrugated paper cherry trees in bloom, Japanese lanterns, parasols, fans, an unusual fan tree, wistaria, and the Oriental Garden all helped to carry out the theme of the very effective decorations. Behind the scenes, there was a lot of work necessary to produce such a fine dance. Chairman of the Prom was Carolee de Fremery who organized and planned the activities of the committees for the Prom. Many Juniors worked on committees to help prepare for the Prom and their

efforts have been remembered and appreciated.

MONEY-MAKING ACTIVITIES

The Class of '54 became more financially stable during the Junior year, a transformation which required a lot of work and responsibility by the officers and other members of the class.

The first activity of the Juniors during the year was the sponsoring of all concessions at the football game with Livermore.

The next activity was a record dance after an afternoon football game away, and the Juniors made a good profit on the dance. They used football as the theme for decoration with the name of each varsity player printed on a star which was used for decoration.

During basketball season, the Juniors sponsored the sale of cokes and candy at one of the games.

HOMECOMING FLOAT

The Juniors entered a float in the Homecoming Parade during football season which won third place.

The theme of Homecoming was "Gay Nineties" and the Juniors obtained an antique coach which was made during the 1800's. They polished it up and borrowed some horses to pull it, and during the parade it was filled with Juniors dressed in costumes for the 1890's.

The CLASS of '54 started the year by sponsoring all the concessions at football games and later some coke sales at basketball games.

Among their activities this year the Juniors sponsored a dance after the football game with Amador. They also entered a float in the homecoming parade for which they won third prize. In the spring came the Junior Prom which was a great success, and later the farewell picnic for the Seniors.

Dawn Allen presided in the Junior Class this year with the assistance of Vice President, Jacque Mundell; Secretary, Carole Boyer; Treasurer, Geraldine Robinson; and Student Council Representative, Nancy Cooper.

SOPHOMORE OFFICERS

Among the live-wires who are leading the activities of the Class of '55 are the President, Bob Machado, ably assisted by Vice President Josie Chavez. Maintaining records of meetings and Sophomore events keeps Carmen Beriemer, Class Secretary, occupied, and the purse-strings are in the hands of Treasurer Edith Lunsford. Janis Watson acts as Sophomore Representative in Student Council.

THE '55 CLASS RINGS ARRIVE!

Proud Sophomores are now wearing their beautiful "Saber Jet" class rings. Ordered last fall, the rings, bearing the distinguished L.U.H.S. crest, plus the year of graduation, and the wearer's initials, arrived on March 20th. Everyone is showing off the third finger of his right hand!

FRESHMAN INITIATION

For the Freshman Initiation, which took place in September, Frosh were dressed as children. Girls wore short skirts, eight braids in their hair, and no socks. Boys shocked the modesty of the school by wearing short pants exposing their knees, no socks, a bow-tie and their hair parted in the middle! Although there were rules not to be violated, both Freshman and Sophomores had fun. An evening reception for the Frosh, sponsored by the

Sophs, marked the official admission of these new students to our L.U.H.S. family.

ADVISORS

The Class of '55 is indeed fortunate in having two very capable teachers to serve as advisors. They are Miss Ilemarie Caspar and Mr. Dewel Morgan. Miss Caspar has been teaching English here in L.U.H.S. for the last two years. She is a graduate of Carthage College in Illinois, and San Jose State College here in California. Mr. Morgan who has been at Liberty for three years is a graduate of the University of California and teaches General Science, Chemistry, and Biology. Mr. Morgan is also advisor of the Photo Club, thus making it quite easy to photograph pictures of Sophomore clubs and classes.

ELECTIONS FOR "53-54"

The election for Junior officers was held May 13th in all the English II classes. Enthusiastic winners are: President, Bill Sylvester, with Dan Nelson as Vice President, Betty Funez taking over the many duties of Secretary, Doris Wolfe coming out ahead as a capable Treasurer, and Jean Partridge acting as Student Council Representative. This fine group of officers, chosen for capability and willingness to work, will strive for the highest of goals during their Junior year. The best of luck to you, Juniors!

SOPHOMORE HOP — A SUCCESS!

The annual Sophomore Hop, held in the gym on February 11, 1953, was a spectacular success.

"On Moonlight Bay," this year's theme, was beautifully carried out, complete with a glowing moon and twinkling stars.

Couples swayed around a small dinghy bursting with fragrant almond blossoms, to the rippling melodies of Irving Carrens and his orchestra.

Thus, the Class of '55 realized not only a social, but also a financial success on a major project.

HOMECOMING GAME AND PARADE

The homecoming game, against John Swett of Crakett, held happy surprises in store for the Sophomores.

Their float, made of crepe paper, a big table, and happy girls and boys, and resembling a soda fountain won 2nd prize in the homecoming parade. Congratulations go to Shirley Armstrong and her assistants, Arnold Hampton, Dave Beattie, Arlene Jacobson, Tommie Bohannon, Margaret Combes, Barbara Becker, and Mary Lozano, for a magnificent job on the float.

They also held all concessions at the game. This was quite an honor, for it was the greatest game of the year.

BOB MACHADO

MISS CASPAR

JOSEPHINE CHAVEZ

This year the SOPHOMORES, under the able leadership of President Bob Machado, assisted by Josie Chavez, Vice President; Carmen Berumen, Secretary; Edith Lunsford, Treasurer; and Janis Watson, Student Council Representative; had a very active year.

Their activities included the sponsoring of the Annual Freshman Initiation and Reception. They also conducted all concessions at the Homecoming game, after winning second place with their float in the parade.

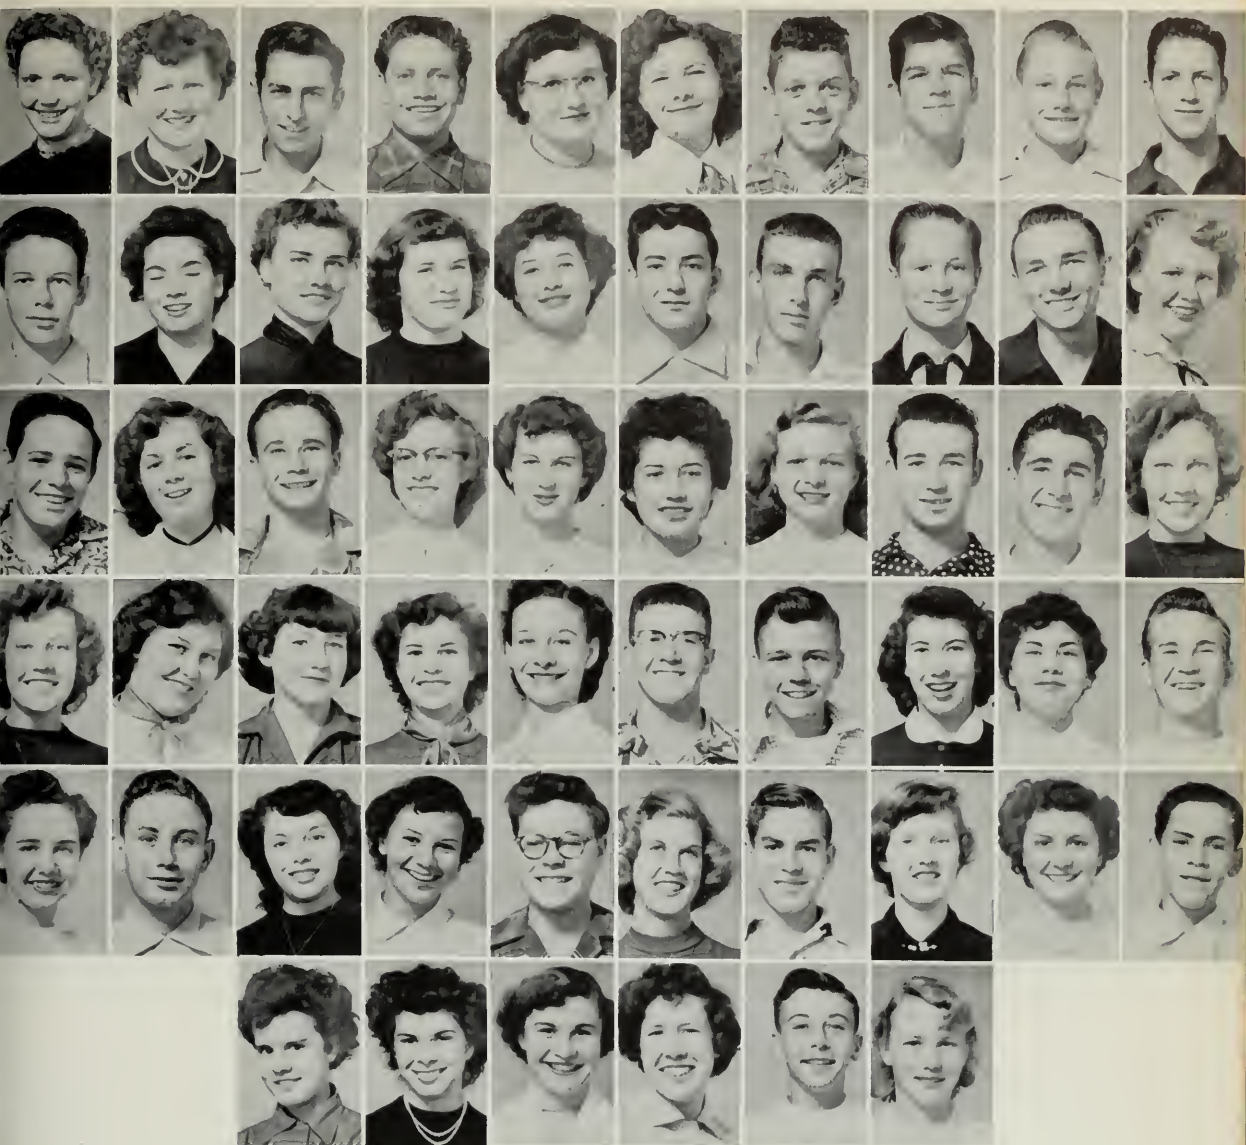

Later, they also held the Sophomore Hop which was quite a success.

THE BABIES COME TO LIBERTY!!

Initiation for the Class of '56 took place October 8th. The students were to dress like babies. The girls were requested to wear eight braids with a bow on each, short dresses above the knees. They were to carry a toy and to wear no makeup (did that look awful?) and no socks. The boys were requested to wear short pants and bow ties. Their hair was parted in the middle and slicked down on both sides. They had no socks, but did wear suspenders. There were a lot of dirty noses and knees from rolling eggs and pencils down the halls. Some of the Sophomores must have had it in for the Freshmen because they sure laid it on thick. When the Seniors were around they helped the Frosh out a lot, but they were rarely around say the Freshmen. Some of the Freshmen were made to propose to the teachers, carry Sophomores' books, sing in the halls, do can-can dances and many other things that make for a lot of fun. All Frosh are looking forward to initiation next year. (The poor Class of '57.)

ADVISORS

At the first meeting of the "Class of '56" we chose as our advisors Mr. Tuohey and Mrs. Cross. These advisors are to give

us advice concerning our plans and activities. They come to our meetings and help us carry out our plans to the best of our abilities. We owe many thanks to our advisors for our success. They were a great help to us in our Freshman year and we look forward to their help and advice in future years.

OFFICERS

The officers for the Freshman class were as follows: President, Mike O'Brien; Vice President, Roger Stone; Secretary, Sally Rios; Treasurer, Eddie Bryant; Sergeant-at-Arms, Albert Celioni; Student Council Rep., Sylvia Woodward.

COKE SALE

The Class of '56 sold cokes and candy to thirsty and hungry spectators at the Emeryville basketball game. A complete sell-out netted our Freshman class \$49.10. During the football season, the Senior class had a coke sale and turned the proceeds over to the Freshman class. We thank the Seniors for the \$48.33 they took in as a result of the sale.

FRESHMAN CHAMPS

The Freshman girls were very happy people this year, because they were the basketball champions of Liberty. The team won

its first game when the Frosh played the Sophomores and won by 4 points. The games against the Juniors and Seniors were tough, but the team came through with flying colors. Kollita Cannon did a wonderful job as captain and received co-operation from the team as a whole.

MARCH OF DIMES

This year the Class of '56 sponsored the March of Dimes drive. They collected money by charging admission to a basketball game between the Freshman and Junior girls, by giving a noon dance and by having various games and cans scattered over the school. Altogether they collected about \$70 for the March of Dimes.

DEMOCRACY IN YOUTH

The Freshman Executive Committee is made up of two representatives from each of the six Social Studies classes and the class officers. It was formed because the Freshman class was too big to meet at once. Also this is a way to represent every person in the class. Ideas which are brought by representatives to be discussed are usually about financial matters. When a solution of an idea is finally reached the representatives report to their respective classes. This also teaches the students democracy.

This year the Liberty Union High School Staff has, to the best of our knowledge, produced one of the better annuals in Liberty's history. This has been achieved only because we had the co-operation of the entire student body. Several organizations and our many sponsors made it possible to produce this "bigger and better" annual at such a low cost to you.

Many people contributed to the actual production of this year's annual, and we wish to thank all editors, typists, and other staff members for their untiring efforts.

Our advisor, Mr. Urbick, has done more than his share in putting out this year's annual. He has assisted us and got us going when we thought we were licked. We sincerely thank him for all he has done for the production of our annual.

The students of Liberty High School who make up our RALLY CLUB are the spark plugs of our Athletic teams. Many activities were sponsored during the year by our organization. The high light of the year is our annual Homecoming. Because of the spirit shown this year by the student body, under the guidance of this organization, we look forward to bigger and better things.—Lee Laird, President; Jane Ann Nunn, Merit Secretary; Elaine Anderson, Treasurer; Mr. A. Under the direction of cheerleaders Clyde W. Brown, Claudia Lozano and Carol Boyer, the student body kept up constant good spirit to show all that we were with the teams whether it be win or lose.

From the fine example set this year we can look forward to Liberty being known as the school "with the spirit."

BRENTWOOD — OAKLEY — BYRON — KNIGHTSEN

June 1953

FOOTBALL

This year for the first time since 1945 the Liberty Lions played the Antioch Panthers, coming out from behind with a score of 24-12. In the past the Lions have won three out of ten games and tied one. In 1936 the Lions and Panthers met twice with the Panthers taking both games. In 1937 it was a 6-6 tie. In 1938-1939-1940 the Lions won all of these games. Then in 1941 Antioch beat Liberty by a score of 14-0. There were no more league games with Antioch but in 1942 and 1943 Antioch beat the Lions with scores of 19-0 and 13-0. No games were played in 1944 but in 1945 the Panthers chalked up another win with a score of 33-7.

The Lions won the championship this year by winning all of their league games. In the first quarter of the St. Elizabeth game

little Jack Domingo completed a pass to Gutierrez for 60 yards and a touchdown. The Lions came out on top with a score of 32-13. In the Livermore game in the first quarter Gutierrez received a pass from Domingo for 40 yards and a touchdown. In the second quarter with Domingo still passing, this time to Tarango for 55 yards and a touchdown. The final score was 40-0, Liberty's victory.

Our homecoming game this year was played with John Swett. This was the twelfth meeting between the Lions and the John Swett Indians. Despite the slippery field caused by a steady rain, the Lions won the game with a 7 point lead.

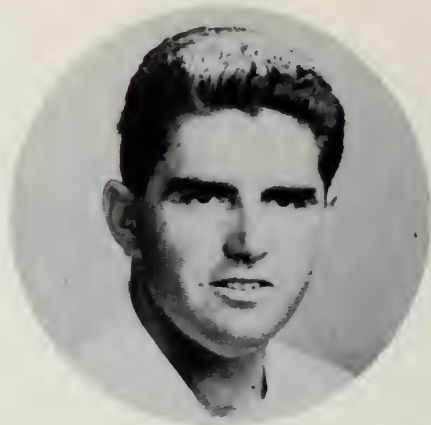

BASKETBALL

This year's "A" Basketball Team had a successful season, although they only won ten while losing eleven. When the "A's" were playing at their best, no-

body could stop them. They pulled several upsets during the year including Antioch, Alhambra, Rio Vista, Amador and almost beat the College of the Pacific Freshmen, losing out in the last minute. Outstanding players for the "A's" were Jerry Vonder Ahe averaging more than ten points a game; Don Morse, hard-driving guard; Barney Dryden, 6' 3" center; and "Snake" Gutierrez, who averaged twelve points a game, while he played. The "B" team started out fast but then slumped and won ten and lost eleven. Outstanding players for the "B's" were Dave Beattie with 217 points, Carl Cross, great guard, Guido Novero, all around player and Chris Chavez, who always played his hardest. Both the "A's" and "B's" finished 3rd in the league. Livermore won the Championship, while Emery "B's" took the Lightweights.

Coaches

Varsity

JV

The coaches, Mr. Bronzan and Mr. Ferrill, were really swell and contributed much to the success of our Championship Football team. It was one of the best teams that Liberty has ever had and these two coaches worked hard in their time. Mr. Bronzan also teaches History and gym. He is the advisor of the Boys' Block L. Mr. Ferrill teaches six daily classes of gym and helped Mr. Inman and Mr. Morse with the J.V. team.
